ROMEO & JULIET

PROSECCO ROSÉ DOC EXTRA DRY

Wines dedicated to Verona and to the most romantic love story ever, Romeo & Juliet. A unique label, shot by the photographer Giò Martorana, shows the messages left by lovers in the yard of Juliet's house.

Prosecco Rosé responds to two of the top international wine trends increased appreciation for both

Prosecco and Rosé. A combination of factors including 10% of Pinot noir cultivated at 1,500 feet in the hills around Conegliano, lower yields and a Charmat method of 60-day duration contribute to produce a wine with elegant and persistent bubbles, and pleasant yeast-imparted and bread crust notes.

92% GLERA, 8% PINOT NERO

The elegance of glera enhanced by the structure of pinot nero. This prosecco rosé has a coppery color and a refined bouquet. The palate is fresh and fruity with attractive scents of raspberries. It is a vivacious and fresh wine that is versatile and quaffable, suitable for all occasions. Pair with crab, lobster and shellfish or sip alone as an aperitif.
